How Citizens Can Use This Scorecard

1. Print or share this page.
2. Attend City Council meetings and ask for status updates on each item.
3. Demand a public remediation timeline for all 14 CRITICAL findings within 90 days.
4. Use the Model Taxpayer Demand Letter (document 05) to request cessation of enforcement and accounting for any collections under void provisions.
5. File Open Records requests (document 06) for City communications about the audit.

Full report, agency letters, and all supporting documents available at public release on August 9, 2026.
