Re: Pre-Release Courtesy Copy — Over-the-Air Reception Devices (OTARD) Compliance, City of Chandler, Texas

Dear Public Information Coordinator:

Native Chaos Holdings, an independent transparency initiative publishing independent compliance research, is pleased to provide a courtesy pre-release copy of a Non-Compliance Findings Report concerning the City of Chandler, Texas Code of Ordinances, with particular focus on the satellite dish antenna restrictions in Chapter 3, Section 3.10.013. The research reviews publicly available provisions of the City Code against applicable federal OTARD preemption.

The finding within the FCC's OTARD jurisdiction is as follows:

- HIGH — §3.10.013(E),(G): The City Code restricts installation of satellite dish antennas by limiting each residential lot to one dish and restricting use to 'private, noncommercial purposes.' These restrictions are preempted by the FCC's Over-the-Air Reception Devices (OTARD) rule, 47 C.F.R. §1.4000, which prohibits local restrictions that impair installation, maintenance, or use of covered antennas.

Findings Routed to FCC

Ordinance	Category	Severity	Description
§3.10.013(E),(G)	FEDERAL PREEMPTION (OTARD)	HIGH	Satellite dish restrictions — 47 C.F.R. §1.4000

Native Chaos Holdings intends to make the full audit report publicly available no earlier than 30 days from the date of this letter. Native Chaos Holdings respectfully requests confirmation that the City's current restriction is within the scope of OTARD preemption. Any inquiries may be directed to Native Chaos Holdings using the contact information set forth above.

Respectfully submitted,

Native Chaos Holdings
